## FESTIVAL POLICIES

*These policies are listed on the back of the student applications.*

1. Students must participate in the complete festival program-all meetings, music rehearsals, performances, auditions, social activities, meals, etc.-commencing with registration and concluding with the final concert, only allowing for the following exceptions: illness or death in the family.
2. Students are advised that absolutely no smoking or alcoholic beverages will be permitted during the festival. Possession of any contraband substance or smoking in the building or on school grounds will result in immediate dismissal from the festival.
3. Students must be prepared to perform the assigned music and conduct themselves with courteous and appropriate cooperative behavior at all times. Any behavior which may be detrimental to the success of the festival or safety of the students, staff or WCMEA members, will be cause for immediate dismissal. Students who are sent home for any disciplinary infraction of a WCMEA policy or host school rule will become ineligible to participate in future WCMEA festivals for the remainder of the school year.
3. Due to U.S. copyright laws, it is illegal to record (audio or video) WCMEA music festivals.
4. The parent/guardian grants permission for his/her son/daughter to participate in the WCMEA festival and will not hold WCMEA or its members or the host school district responsible for any unforeseen accident, illness, or loss of property occurring during or in transit to/from the above festival. The school principal certifies that the student is academically eligible to participate in a festival and is of good character. The director certifies that the student is a member in good standing in the school's performing organization.
5. Students who apply for any WCMEA Festival or Fests must provide their own personal medical insurance (e.g. Blue Cross, school plan, or other carrier).
